27F520T

27" (Diagonal) TruFlat™ Stereo Television

Features	Benefits
TruFlat™ Picture Tube	Reduces peripheral screen reflections & glare by over 60% compared to standard tubes. Offers a wider effective viewing area from any angle. Detail clarity adds realism.
Favorite List	Allows selection of up to 5 channels to be programmed into a favorite list which is selectable with one button on the remote.
Component Video Input (Y Pr Pb) on Rear Allows a Single Device with Y Pr Pb Outputs (such as a DVD Player, or a Satellite Receiver) to be Connected	Improves video quality by separating the signal into 3 video connectors. Provides more vibrant, sharper images compared to single video inputs.
Digital 3-Line Comb Filter	Separates black-and-white detail from color information to virtually eliminate edge crawls and rainbow effects while enhancing picture resolution.
Front Panel Lock	Allows disabling of front panel controls to prevent small children from changing settings.
Connections For One Rear L+R+V Device (when Component Video Input Unused), Plus One Set of Front L+R+V with S-Video	Simplifies connecting other devices such as a game system, digital camera, or VCR.
Electronic On-Screen Notepad	Provides on-screen message reminder. Programmed message pops-up at selected time, or if no time selected, the next time TV is powered on.
